AMENDMENT

Director of Patents  
Box Amendment  
Washington, D.C. 20231

Dear Sir,

In reply to the Office Action mailed August 28, 2002, please cancel Claims 14-23, as being drawn to non-elected species, and further cancel Claim 7, without prejudice, and amend the above-identified patent application as follows:

- sub B1  
A1
1. A gas discharge laser, comprising:
    - a housing;
    - a first electrode;
    - a second electrode;
    - a second electrode support;
    - a first cross-flow blower section, comprising a plurality of radial blades, further comprising a plurality of internal hubs and two end hubs, each of said internal and end hubs coupling with a first shaft and together define a cylindrical form extending along a cylindrical axis of the blower;
    - a second cross-flow blower section, comprising a plurality of radial blades, further comprising a plurality of internal hubs and two end hubs, each of said internal and end
